

Artillery Piece Sponsorship 2024

To offset the expenses accumulated by the artillery reenactment participants during the transportation of their artillery piece to our annual commemoration event and for the purchase of the black powder used to replicate artillery fire, the Cedar Creek Battlefield Foundation (CCBF) offers \$200 bounties to the first 15 Federal and 15 Confederate (for a total of 30) artillery pieces registered. For 30 years, CCBF has hosted this bounty program and traditionally has partnered with local businesses, members of the community, and other preservation organizations to offer these tax-deductible artillery piece sponsorships. This year for the October 19th and 20th event, CCBF has set the goal of receiving public sponsorship of all 30 of the artillery pieces receiving a bounty in 2024. We thank you for your partnership and contribution toward this goal!

Terms and Conditions of Sponsorship

Submission of a Sponsorship Application should be accompanied by the appropriate payment that corresponds to the selected Sponsorship Level. Accepted Sponsorship Applicants will be notified by phone or email of their acceptance. If time and logistics permit, a commitment to a higher level of Sponsorship may be considered after submission and acceptance of an initial application. However, the Foundation cannot decrease the level of Sponsorship once the Sponsorship Level has been accepted. The number of Sponsorship opportunities may be limited. A number of considerations may cause a Sponsorship Application submission or accepted Sponsorship to be reconsidered by the Foundation. If a sponsored event or activity is interrupted, deferred, or cancelled due to, for example, weather or other unavoidable circumstances, the Foundation will apply the Sponsorship funds to a rescheduled or alternative Foundation event or activity, with the original benefits and entitlements provided with the level of Sponsorship approximated as closely as practicable by the Foundation. Also, if the Foundation determines, for any reason, that a Sponsorship needs to be cancelled, the Foundation will consider a full or *pro rata* refund to the sponsor. In determining potential *pro rata* refunds, the Foundation will use elapsed time from the beginning of the Sponsorship commitment and consider any fulfilled benefits as guidance.

Logos and Sponsor names provided for use by the Foundation in association with the Sponsorship must be in digital form and compliant with the technical specifications provided by the Foundation for use and reproduction by the Foundation. The Foundation may resize and place images in notices of Sponsorship as deemed practical by the Foundation. The Sponsor represents and warrants that the logo(s) and name(s) provided for use by the Foundation in accordance with the Sponsorship terms will be free from third-party claims. After a Sponsored event or activity is complete, or the Sponsorship is ended, the Foundation may, at its discretion, continue to use the indicia of Sponsorship when referring to the past event, activity or Sponsorship arrangement.
